- Please note that variations in colour may occur due to the random design concept, which adds to the unique beauty of each piece. We recommend reviewing the actual tiles before making a final decision on colors. During installation, ensure a 2 mm gap between tiles.
- For best results, we suggest performing a dry mock installation to ensure a smooth final installation.
- Please be aware that claims made after installation will not be considered.
- The contents of this catalogue are for reference purposes only and do not cover all possible graphics, decors, and colours shown. The product sizes listed are nominal, and color variations may occur due to the vitrification process.

These features are subject to change without prior notice and are not legally binding.

*NON-RECTIFIED PRODUCT PARAMETER

Resistance to acids & alkalis (Exception of Hydrofluoric acid & its compounds)

** Vitrified tiles have resistance to most of the stains / chemicals but, it is recommended to take due care while laying and for day-to-day maintenance.

* Applicable in Gailpur plant only.

- Colours in the catalogue are as accurate as printing process allows. Please check actual tile sample before making the final selection.
- Sizes mentioned in the catalogue are nominal sizes only.
- No claim will be entertained once the tiles are fixed.
- For better laying, please follow the instructions on the packaging box.
- In case it is required to lay the tiles on wall or floor in STAGGERED PATTERN, then always lay them in Overlap 20:80 ratio, as shown in VISUAL 1 instead of Brick pattern (overlap 50:50 ratio), as shown in VISUAL 2.

- Please make sure to check the shade/finish with the sales agent/dealer before making the final purchase because there might be variation in actual finish and that shown in the catalogue. The company will not bear any loss in such case.
