RATIONALE FOR THE SCHEME OF AMALGAMATION

Since, the Transferor Company is a wholly-owned subsidiary of the Transferee Company, amalgamation contemplated in the present Scheme will ensure optimized legal structure, more aligned with the business of the Transferee Company and will also reduce the number of legal entities within the group so as to achieve significant cost savings, hence the Scheme of Amalgamation will benefit all concerned, including the shareholders, creditors and other stakeholders of both the Petitioner Companies which are, *inter alia*, as follows::

- a) Significant reduction in the multiplicity of legal and regulatory compliances required at present to be carried out by the Transferor Company and Transferee Company;
- b) The proposed transaction will result in the establishment of a larger company with more capable resources, a sufficient capital base and a greater capacity to raise funds for expansion, modernization and development of the businesses of the companies concerned.
- c) The proposed transaction will further achieve various operational, technical and marketing synergies resulting in better management of logistics, control, administration and centralization. It will also help to achieve economies of scale, reduction in overheads and other expenses, reduction in administrative and procedural work better and more productive utilization of various resources and ultimately to avoid general administrative burden and cost triggered by running two separate legal entities under the same group.
